Dear Stephanie,

Happy February, all! We just finished our first 2011 event this past weekend. For those lucky enough to attend, it was a fabulous time! We gave away over \$3,000 in prizes, including a Cricut and over 70 door prizes. Congratulations to Michelle McClanahan for walking away with a \$500 iPad! More importantly, lots of new friendships were made.

This newsletter also contains contests to win over \$120 in prizes from some of our favorite websites, coupons from our favorite vendors and exciting announcements about the April crop.

There are a lot more good things to come from Crops Plus this year. Our April, September and November events are open for registration and are already half full! You can register now at <http://www.ourcropsplus.com/registration.html#register>

We're looking forward to seeing you soon!

February Scrapbooking Tip

Thrifty Sites!

Most of us are constantly looking for the best deal in scrapbooking supplies. Heaven knows we're all in love with an expensive hobby!

If you have the patience to wait a few extra days to get your new stash, we have a few suggestions where you can save

hundreds with for our favorite scrapbooking steals websites!

[Peachycheap.com](#) - Peachy Cheap is like waking up on your birthday every day! They specialize in massive deals, up to 99% off, but just one a day! Once the deal is sold out, it's sold out!

[CraftySteals.com](#) - Like Peachy Cheap, Crafty Steals has one big sale a day and allows you to purchase previous days' sales if there are any left. One of my favorite parts of Crafty Steals is the layout examples provide every day, a great source of inspiration!

[Scrapbuck.com](#) - With a huge chunk of their product priced at \$1 or less, Scrapbuck.com has the brand-name product you rely on for amazing prices. I find the prices on acrylic stamps to be rock bottom!

[Frugalities.com](#) - Frugalities.com everyday prices are up to 20% off and their sale prices can be up to 90% off! They have a very wide variety of product.

We hope you have a lot of success at these sites! For Crops Plus Newsletter readers, Peachy Cheap is offering a goody bag with product worth over \$100! To enter to win this generous prize, simply click [HERE](#). The winner will be selected at random and notified on
